Dear Jim:

Thank you very much for inviting me to participate in the tour of the Government Printing Office yesterday and for the fine luncheon that followed.

The tour was extremely interesting and I certainly was impressed with the magnitude and complexity of your operation and the efficiency with which your requirements are met.

Please let me know if I can be of assistance to you at any time in the future.

Sincerely,

Dear Jim:

We all thoroughly enjoyed our tour of the Government Printing Office and your delicious lunch today.

I certainly had no idea of the magnitude and complexity of your operation. It was a real eye opener. The high esteem in which we hold you is even higher after witnessing firsthand the detailed knowledge that you have of this very diverse operation. It was a real pleasure to see the interest you took in the man at the machine. You don't find this very often in an operation so big or so complex. Your employees' high regard for you as an individual was more than obvious.

Many thanks for a very pleasant visit.

Sincerely,

L.S./ L. K. White
